## ABOUT US

Akdaglar Dried Food Company founded by Akdag brothers and began its **apricot and apricot kernels** productions in 1990 in Malatya/Turkey. Initially, the company operated as an apricot and apricot kernel provider in domestic markets until 2004, than it started to export to international markets in same year. Now, besides apricot and apricot kernel processing, the company is also known as a trustworthy provider of **high quality sultana raisins, dried figs hazelnuts and almonds** and many other quality dried foods. Now, we have reached a many happy business partners in over 64 countries. **We have 2 factories** in the same city with the total area of **29,000m<sup>2</sup>**. 16.000 m<sup>2</sup> of this total area is used for production. All production is made according to EU standarts . We aim to expand our business network by reaching more business partners to sustain the company growth by supplying quality products.
